**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic internet in Santa Rosa, CA for the main reason that I know that my dollar is my only voice against corporations who treat their customers unfairly and provide lackluster customer service....AKA Comcast. I will not give Comcast my money. I refuse to support them as a business. Sonic is my only alternative for internet in the apartment building I live in. I rely on Sonic's internet service not only to stay connected to the net but also to get work done. Sonic provides me without only internet service, but also upstanding customer service at a reasonable rate.

I am a consumer who supports broadband competition. Sonic is my provider of choice. They exist. I exist.

Please do not dismantle key components of the 1996 Telecommunications Act. Let me keep my internet through Sonic and my money away from corporations like Comcast.

Thank you for your consideration.
